

PCI DSS SAQ-D Attestation of Compliance - 2026

Copper State Credit Union - Attestation of Compliance (SAQ-D)

Assessment date: 2026-05-10 QSA: Desert Shield Security (fictional)

Status: NON-COMPLIANT (remediation in progress)

Requirement 3.2 - Do not store sensitive authentication data after authorization: FAILED. CVV codes found stored in cards.cvv_cd in the core banking schema. Compensating controls: column access restricted; purge and schema change scheduled before 2026-08-31.

Requirement 3.4 - Render PAN unreadable: PARTIAL. Statement renderer masks to last four; core schema stores full PAN (tokenization project CSCU-TOK-01 underway).

All other requirements: IN PLACE.

All Copper State Credit Union data is fictional and generated for training.
